<b>5.0</b>	<b>5-Year Plan.</b> Complete items 5.1 and 5.2 only at 5-Year Plan update.				
<b>5.1</b>	<b>Mission.</b> The Lennox PHA's mission is to be instrumental in making excellent, affordable housing available for low income, very low income and extremely low income persons through effective management and wise stewardship of public funds. We will also partner with our residents and others to enhance the quality of life in our community.				
<b>5.2</b>	<b>Goals and Objectives.</b> Our previous 5 year plan included requesting additional rental vouchers, reducing public housing vacancies, create additional housing opportunities and acquire or build new units or developments. <b>Lennox Housing did build four 4-plexes of 2 bedroom units for the Lennox Community.</b> It was done with Essential Function bond money, not HUD dollars, and the Lennox Commission felt the community needed the new townhome style apartments. These townhomes are not income based and are for any age, including young families or elderly individuals moving out of their homes. Public Housing vacancies have been limited during the last 5 years due to the continued updating with Capital funds. Lennox Housing has been unable to expand the rental voucher program due to lack of additional funding for the voucher program. We will continue to research and hope to serve more families with the additional vouchers if the opportunity comes. Lennox Housing will continue to reach the extremely low, very low and low income families in the rural Lennox and surrounding communities through the social service agencies, community outreach. We feel there is a need in all income levels to feel wanted and cared for. Lennox Housing is doing their best to create a healthy atmosphere among the communities. Other goals in the previous 5-year plan included improving PHAS and SEMAP scores; improve customer satisfaction; improve management functions, and renovate public housing units. The Lennox Housing has excellent scores in both evaluations. We have received positive feedback for our participants and tenants. Also, with the submission to PIC you can see we are striving for 100% reporting levels. Lennox Housing has renovated two efficiency apartments into one large one-bedroom with 2008 Capital funds. We also plan to renovate a current efficiency unit into a 504 handicap unit with the ARRA funds received for 2009-2010. During the last five years, we have enlarged our PH parking lot and installed new lighting for added security which was also a objective in the last 5-year plan. We will continue to look for security issues that may require improvements to the PH property. The last 5-year plan included goals to increase employment for assisted families and attract supportive services to help participants. Lennox Housing has an excellent relationship with local social service agencies in the county and nearby counties. We refer participants to agencies that can help with all needs and other related agencies refer families to our office. We will continue to maintain this excellent working arrangement and make any improvements that may be necessary. The supportive services for our elderly and disabled families are also involved in this relationship. Being a small rural community, the opportunities to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking are somewhat limited. However, it is the goal of Lennox Housing to partner with all community agencies in the county and the Sioux Falls area to help provide services, provide housing, and provide support to prevent domestic violence, dating violence, sexual assault and stalking. We will do everything possible to enhance all victims' lives and insure their safety in this community and in their homes. (The addition of the supportive services regarding the Violence Against Woman Act is not a significant amendment or substantial deviation from previous plans. It is just a further explanation of our desire to help our tenants and the citizens of our community, including those who have been victims of domestic violence, dating violence, sexual assault or stalking.)				
<b>6.0</b>	<b>PHA Plan Update</b> (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.  <b>There have been no specific elements of this plan that revise a previous plan submitted by Lennox Housing. All copies of this 5 year PHA plan and all past plans are available upon request at the main and only administrative office located at 217 South Pine Street, Lennox, SD 57039. Our resident board has a copy of this 5-year plan and is encouraged to share it with other tenants.</b>				

7.0	<b>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers.</b> Include statements related to these programs as applicable. <i>NA</i>
8.0	<b>Capital Improvements.</b> Please complete Parts 8.1 through 8.3, as applicable.
8.1	<b>Capital Fund Program Annual Statement/Performance and Evaluation Report.</b> As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing.
8.2	<b>Capital Fund Program Five-Year Action Plan.</b> As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.
8.3	<b>Capital Fund Financing Program (CFFP).</b> <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	<b>Housing Needs.</b> Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. <b>Lennox Housing has 6 families on the waiting list for Public Housing and 61 families on the waiting list for the Voucher Program. We anticipate a possible 5-6 apartments opening up in our elderly PH units during a single year. Thus, making the wait under a year for anyone desiring an apartment in PH. However, the Voucher program waiting list is excessive because no additional funding is available for these families. We anticipate only 3-5 changes in our small program during the course of a year. This makes the wait almost everlasting for these families. We refer these families to other agencies for immediate assistance and short term care, but if they stay in the Lennox area and want long term assistance, it can be very discouraging. The Lennox Housing office will strive to grow if there are opportunities for new funding but it can only do so with the support of congress and the administration. With the current economic down turn, we also have additional families desiring support.</b>
9.1	<b>Strategy for Addressing Housing Needs.</b> Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. <b>Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. Same as above item 9.0</b>
10.0	<b>Additional Information.</b> Describe the following, as well as any additional information HUD has requested.  (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" <b>We will always strive to improve our goals and to meet our current mission and future missions. It is a work in progress and we have seen some success in the PH program with renovations and low vacancies. Because of budget restrictions there has been minimal progress for growth in the voucher program. Better management of guidelines and PIC requirements has brought better management skills but the goal for growth in numbers of families to be served is still a high priority.</b>  <b>No substantial or significant modification has occurred with our goals and missions addressed in this current 5-year plan with the previous plans. A significant amendment or substantial deviation/modification would be a change in policy or goal that would change the direction and long term plan for the services of Lennox Housing. An expansion or detailing of current policies and goals would not be a significant amendment. Significant amendments or substantial deviations would require a public review and HUD's review of the change(s). The significant amendment or deviation would then be evaluated and implemented or delayed, depending on the review.</b>
11.0	<b>Required Submission for HUD Field Office Review.</b> In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. <b>Note:</b> Faxed copies of these documents will not be accepted by the Field Office.
